

List of general charges for Paul Tuemler Propane Customers:

1. Tank rents – all company owned tanks are subject to annual tank rents
2. All regulators and material exiting the tank or tanks (property of customer)
3. Tank installations, pickup fees, non-use fees and pump out fees
4. Minimum delivery fees (applies to less than a fill delivery)
5. All out of gas deliveries are subject to an additional out of gas charge
6. Rush delivery fee – if the truck is off its scheduled delivery/route and delivery needs made that day per the customer request
7. System test charge
8. Re-connect charge
9. Return check charge
10. Service call fee
11. Finance charges on past due accounts
12. Transfer fee
13. Fuel surcharge could be added in the future due to recent worldwide events and rising cost

Other companies may charge the following, but Paul Tuemler LP Gas does NOT:

1. Hazmat fees on each delivery
2. Environmental fees
3. Early termination fees
4. Will call/convenience fees
5. Late fees

*** Unless required by law, other companies may not repurchase propane remaining or refunds of any unused propane on termination of service. ***

*** Changes can occur without notice, please contact the office with any questions. ***
