P.O. Box 86

Walton, KY 41094

PH: 485-6556 Fax: 485-7831

www.paultuemlerlpgas.com

Paul Tuemler LP Gas will be closing the office to the public and the following protocols will be taken in response to COVID-19:

1. Paul Tuemler Gas will continue to deliver propane but will not be doing any work inside the home or business. All delivery tickets will be left on the door or at the tank.
2. Please be sure to contact the office if you smell gas and we will determine what needs to be done to keep everyone safe.
3. We will continue to take payments over the phone, mail delivery and in the drop box out front of the Walton plant.
4. For the time being, we will continue to fill cylinders at our dock station in Walton. We just ask that you honk the horn or knock on the door when you arrive and we'll send someone out.
5. If at anytime you have a question, please feel free to contact the office.
