To Our Auto Fill Customers,

Please be advised as of April 21, 2019 our auto fill projections and deliveries will be concluded for this season. The auto fill routes will resume in August-September. If you feel you would require a delivery before August-September, contact the office to place an order. Please call the office before August if you want to be deleted from the auto fill program.

Summer is the time to enjoy the little things. A more relaxed pace, warmer weather, time for outdoors and let's not forget about barbeques. **Please remember we do fill gas grill tanks at our Walton plant**. As we celebrate our 48th year of continued service, we would like to thank you for your trust and loyalty.

We invite you to visit our website www.paultuemlerlpgas.com. There you will find information about our propane services and products, safety and other helpful propane related information.

Do you know anyone that needs great service? For each **qualifying referral** who becomes a Paul Tuemler LP Gas customer, we will credit your account $75.00 towards your next gas purchase.

Hours of operation starting in April 2019-November 15th 2019 are as follows:

Monday-Friday 7:30-4:30

We will be open on Saturdays starting November 23, 2019 - March 2020
